Reusable Packaging for a greener future

CORRUGATED PLASTIC AGRICULTURAL TOTES

NW Packaging manufactures Corrugated Plastic Agricultural Totes.

We can make the most common sizes of agricultural bins or custom design one for use in all aspect of harvesting, including transportation, storage, and processing.

The general use harvesting totes can be stacked 8 high to a standard 48 x 40 pallet, and can be used with the stock agricultural bulk bin.

All totes are wire reinforced for long lasting durability and custom printing is available.

Our experienced Sales Staff will guide you through the many size, design, and color options.

FEATURES:

- Lightweight & Durable
- Extra UV inhibitors can be added for extended life.
- Smooth inside virtually eliminates damage to harvested fruits and vegetables.
- Can be designed as nestable or stackable
- Wire reinforced
- Custom printing is available
